Gothic Pogo Festival # 17

The heart of our festival continues to beat strong as we happily invite you to the 17th edition of the Gothic Pogo Festival.

Once again this year, we are celebrating in the tried and tested tradition of bringing DJs and crews from all over the world to our beloved Werk2 venue over five days.

Over four days, we offer a stage for international live bands and performers, from old idols to new sounds of music history, from death rock and postpunk to electro punk and mutant wave. Old and new come together.

Join us again this year to create a safe space in which art and individuality can unfold with respectful cooperation!

By the scene, with the scene, for the scene!

##

Das Herz unseres Festivals schlägt weiter stark, während wir euch voller Freude zur 17. Auflage des Gothic Pogo Festivals einladen.

Auch in diesem Jahr feiern wir in bewährter Tradition und bringen an fünf Tagen DJ*s und Crews aus der ganzen Welt in unsere geliebten Räume des Werk2.

An vier Tagen bieten wir eine Bühne für internationale Live-Bands und Performer*innen, von alten Idolen hin zu neuen Klängen der Musikgeschichte, von DeathRock und Postpunk hinzu Electro Punk und Mutant Wave. Alt und Neu kommt zusammen.

Schafft auch dieses Jahr mit uns gemeinsam den sicheren Raum, in dem sich Kunst und Individualität mit respektvollen Miteinander entfalten kann!

Von der Szene, mit der Szene, für die Szene!
