

NIGHTLINER PARKING PLAN WERK 2 – Kulturfabrik Leipzig e.V.

Address: Kochstraße 132, 04277 Leipzig, Germany

Dear bus driver,
Dear travel party,

Coming from Scheffelstraße into Kochstraße or Kochstraße from direction Richard-Lehmann-Straße is the only way to get into our driveway.

🚫 = Does not mean that you aren't allowed to get into the street but it won't be possible to make the corner into our driveway from this side.

⊗ = Check this corner carefully. It is tricky, but possible.

🔌 = 1 × 16A CEE + 1 × 32A CEE power plug each // **maximum load 50A total**

Please be considerate of our neighborhood and quiet down when you are in the parking area. Also shut down the engine of the bus, please. Thank you!

Please notice: The driveway and parking area are also used as Walls of Fame. The people are aware that we provide the space and are respectful, make space for entrance and have never sprayed a bus.
